Subject: FW: letter to EPA from WI Congressman regarding Sheboygan ozone designations

Hello Everyone,

Region 5 obtained a copy of the attached letter from Sen. Johnson and Rep. Grothman in Wisconsin. We were alerted to the letter after receiving approximately a dozen phone calls from concerned citizens who do not agree with the recommendation from their congressmen. I understand that the letter is now being controlled for response and the DC folks are asking whether it should be controlled to us here or to you guys. I don't know if you have a preference. I guess it is with OCIR right now. Regardless, we are happy to coordinate a response with your office.

Let me know your thoughts and we can go from there.

John
